Embedded Memo/Letter TO THE A.C.J.C. COMMITTEE

I.

Please accept this letter as a formal request for an A.C.J.C. investigation into the matters discussed in the September 4, 2013 letter from hon. Judge Gannon, J.S.C. and my similar concerns regarding the usurping of trial judges' independence by the assignment judges referenced in both my supplemental pleading and Judge Gannon's letter.

The complaints are simply plead here for sanctions: related to transferred cases without "A good cause shown" provided to the court or litigants in the above referenced cases / interference with independent triers of fact via the transfer of cases without consent of the trial judge in matters at or pre trial.

II.

PLEASE SUBMIT THESE COMPLAINTS ANONYMOUSLY & CONFIDENTIALLY IN MY NAME SHOULD A FORMAL COMPLAINT AND HEARING ARISE FROM THE DOCUMENTS INCLUDED HERE.

III.

RECUSAL REQUEST: Virginia Long and/or any members of Fox Rothschild to recuse themselves from consideration of this complaint AND please reopen my previous complaints if Virginia Long was involved in the consideration of those matters as her firm represents an adversary of mine in open legal matters

Very Truly,

Derek Syphrett,
